

# THE VILLAGE OF ARTHUR *Illinois*

**Dear Arthur Residents:**

The Village of Arthur is going to try something new!! Each quarter, we are going to post a newsletter updating you on things going on in the Village. Often times, the biggest problem that communities face is knowledge. Knowledge of upcoming events, due dates, village projects around town, and police updates. We are trying our best at informing our citizens of the information that you should know! We hope you find this newsletter useful.

Sincerely,  
Mayor Bernius

## Police Report

As Spring is arriving, and warmer temperatures become more the norm, The Arthur Police Department would like to remind Arthur Citizens to be ever watchful for children playing outdoors, as you navigate our Village streets. Slow down and be watchful, your attention to your surroundings makes our Village a safer place.

Spring time also means "Spring Cleaning". The Police Department will be contacting property owners in the Village, about observed and reported violations of the Village Ordinances relating to tall grass and weeds, litter, and junk and abandoned vehicles. Please contact the Police Department to report suspected violations, or if you have questions about the Village Ordinances related to these subjects.

The Arthur Police Department is proud to announce the appointment of Brody D. Bickel, as a probationary Police Officer with the Department. Bickel, a long time Arthur resident, will be attending the police academy, beginning in April, at the Police Training Institute at the University of Illinois.
